Consumer Protection mails out Refund Forms to 3095 Utah citizens

"Email Discount Network to pay refunds as part of Settlement with Florida AG"

(For immediate release)

SALT LAKE CITY, Utah – The Division of Consumer Protection announced today that 3095 Utah consumers should be watching their mailboxes for a mailing from the Division that will describe a recent settlement between the State of Florida and "Email Discount Network (EDN)". The Company, "EDN", deceptively billed unauthorized charges on consumers' phone bills and has been ordered to email affected customers refund information by April 19, 2007.

The Utah Division of Consumer Protection is assisting the Florida Attorney General by mailing out refund forms to Utah consumers so if they fail to receive the "EDN" email, they will still be able to submit refund paperwork.

All settlement and refund proceedings are being handled directly by the Florida Attorney Generals' Office and consumers can find out more information by calling (850) 414-3300.
